## 2023/24 BBL MELBOURNE STARS V PERTH SCORCHERS

### THE BBL: A SHORT HISTORY

Twenty20 cricket began around the cricket world in the early years of this century. Initially a six-team state-based competition was set-up in Australia. In the 2011-12 season the city franchise-based tournament, The Big Bash League (BBL), was established. The BBL comprised eight teams including two from both Melbourne and Sydney. In the 2011-12 tournament (BBL01) each team played the seven others once (28 matches) followed by two semi-finals and a final which was won by the Sydney Sixers. In the second season each team played six others once and one twice (32 matches) followed by the finals. This allowed both Melbourne and Sydney to introduce the "local derby" with a resulting boost in attendances.

In the following seasons the number of home-and-away matches increased and all teams played each other twice (56 matches) starting in 2017-18. From the 2019-20 season the existing finals format was replaced by a five-team final series as follows: The Eliminator (fourth v fifth); The Qualifier (first v second), The Knock-out (third v winner of Eliminator), The Challenger (winner of Knock-out v loser of Qualifier) and the Final (winner of Qualifier v winner of Challenger).

Further changes have been made for the 2023-24 season (BBL13). The number of home-and-away matches has been reduced from 56 to 40 with each team playing 10 matches (four teams being played once and three twice).
